PREAMBLE—

According to the economy order dated 8th October 1968 read above, no new posts can be created and recruitment to posts of Class IV Employees should be made only with the prior approval of the Cabinet. A clarification has been sought whether such proposals should go before the Cabinet or the Committee constituted for review of staff proposals.

Several proposals for additional establishments are received in Finance Department in respect of which expenditure of the staff is recoverable from the persons or Institutions for whose benefit the additional establishments are proposed. Clarification has been sought whether such proposals should be placed before the Committee constituted in G.O. cited 2 above. Some departments feel a doubt whether upgrading of posts also should be put up before the said Committee.
